Welcome to the second newsletter In April, there are so many wonderful things to let you know about that we couldn't get it all in one bumper newsletter.

We are thrilled to unveil our new [website](http://www.silicondental.co.uk), which perfectly matches the modern, sleek look of our practice. From the moment you land on our homepage, you'll be captivated by the stunning visuals and user-friendly interface. But the real star of the show is our incredible care team, whose commitment to excellence is evident in every aspect of our website.

They are truly the best. They ensure you are taken care of, offer drinks beforehand. The entire treatment was amazing. It was even the small things of realizing my jaw was hurting during my filling and not only giving me a minute to rest but a mini jaw massage. Go to them, you won't regret it.
